

POWER TO MAKE WEALTH: Confirming the Covenant

“You may say in your heart, 'My power and the strength of my hand made me this wealth.' But you shall remember the Lord your God, for it is He who is giving you power to make wealth, that He may confirm His covenant which He swore to your fathers, as it is this day.”

Deuteronomy 8:17–18

Dear Friend:

We are offering you in this letter a proven method to make wealth God's way. God has absolutely nothing against people becoming better off, or even downright wealthy...but He does want us to remember Him both in and after the process. When God provides assistance, He wants us to give Him the credit for helping. Not really much to ask, is it?

The Bible shows God helping people over and over again. The references are almost endless, and we will gladly provide them to you if you so request. But also almost endless are the blessings for obeying God and achieving wealth His way. When you become wealthy with this program, please do not fail to remember God and thank Him for His help. One particular way you should do that is to give a small part of your new wealth to a cause which honors God. Find a church or a ministry which is truly God-honoring, and send a donation. (We will gladly help you with this also, if you so request.)

Power To Make Wealth™ can easily generate millions of dollars for you. The mail order industry in the US alone does well over 120 billion dollars annually. (Billion, with a B.) This opportunity is real and you may even need a couple of months to count all the wealth you'll be generating.

Because of the ongoing recessionary economy and the simplicity of this program, the response rate to this invitation letter is extremely high. That is unheard of in direct mail. People are looking for a proven way to make extra money, and this will prove to be the best way you can possibly show them.

Here's why:

- There are millions of people looking for ways to make money, and all you need to do is reach some of them.
- Lists are available of these types of people, lists from reputable sources.
- You will be reaching people who are already direct mail enthusiasts.
- Millions of people are still out of work, and millions more dislike their jobs.
- Giving into the Kingdom of God is the best way to guarantee your success.

You owe it to yourself to put *POWER TO MAKE WEALTH*™ to work immediately, without delay!

[We are suggesting you use direct mail for PTMW because the Internet today, and email, are very over-used and consequently poorly used. People delete hundreds or even thousands of emails every day without even reading them. Everyone still has a postal mailing address, and everyone who gets an envelope with a real stamp on it, rather than printed advertising (junk mail) with only an imprint for postage, is going to sit down and OPEN THAT STAMPED ENVELOPE and read the contents! We will show you how to increase the response rate above anything you have gotten previously using direct mail!]

HOW MUCH MONEY CAN YOU MAKE? Here are the figures:

Let's suppose that you start small and decide to send out 100 copies of this letter, AND that your respondents decide to do exactly the same thing. Optimal result:

- 1st Level: 100 copies X 25% = 25 participants (*Our test mailings often exceed 25%.*)
- 2nd Level: 25 participants X 100 copies X 25% = 625 participants
- 3rd Level: 625 participants X 100 copies X 25% = 15,625 participants

Final result: 15,625 participants X \$20 = \$312,500 in cash sent to you!

Your expenses: \$20 for one gift, \$49 for stamps, \$25 for printing and envelopes, and \$25 for your initial mailing list. (But see below to get your initial list for FREE.)

If you want to be bold and aggressive in your marketing, and start by mailing 500 letters instead of just 100, you stand to make, believe it or not, \$1,562,500 from 78,125 participants when others follow your lead. However you decide to start with *POWER TO MAKE WEALTH*, you will receive more than enough to send a very nice donation to assist with God's work in a world which desperately needs to know that He is alive and well and is still more than willing to help those who ask Him for help. (If you should, for some reason, become greedy and NOT give God the credit for helping you by sending a small amount of your windfall toward His work, do not be surprised if He ceases to help you further.)

Our point here is this: Getting involved with God, and giving Him thanks by donating to a ministry or church which holds Him in the highest regard, is never a wrong move! The Bible says that "God is a rewarder of those who seek Him." (Hebrews 11:6) He is anxious to prove that to you!
